Please visit the ASUS USA and ASUS Canada websites for information about locally available

products. All specifications are subject to change without notice. Please check with your supplier for exact offers. Products may not be available in all markets. Specifications and features vary by model, and all images are illustrative. Please refer to specification pages for full details. PCB color and bundled software versions are subject to change without notice. Brand and product names mentioned are trademarks of their respective companies. The terms HDMI and HDMI High-Definition Multimedia Interface, and the HDMI Logo are trademarks or registered trademarks of HDMI Licensing Administrator, Inc. in the United States and other countries. The actual transfer speed of USB 3.0, 3.1, 3.2, and/or Type-C will vary depending on many factors including the processing speed of the host device, file attributes and other factors related to system configuration and your operating environment. Actual data throughput and WiFi coverage will vary from network conditions and environmental factors, including the volume of network traffic, building material and construction, and network overhead, result in lower actual data throughput and wireless coverage. Quoted network speeds and bandwidth based on current IEEE 802.11ac specifications. Actual performance may be affected by network and service provider factors, interface type, and other conditions. Connected devices must be 802.11ac-compatible for best results. WPA/WPA2 enterprise is only available on single router, is not available under AiMesh mode.

Parametry

Producent	Asus
EAN	4718017733564
Kod producenta	ZenWiFi AX Hybrid(XP4)(2PK WHITE)
Model	ZenWiFi AX XP4 Hybrid
Tryb pracy	Access Point, Bridge, Router
Standard pracy bezprzewodowej	802.11ax (Wi-Fi 6)
Pasmo	2,4 GHz, 5 GHz
Wbudowany modem	brak modemu
Standard pracy portów LAN	10/100/1000 Mbps
Złącza	USB 3.0
Antena	wbudowana
Cechy dodatkowe	kontrola rodzicielska, serwer VPN
Stan	Nowy
