### Opis

## Corsair Vengeance LPX 128GB (4x32GB) DDR4 3600 (PC4-28800) C18 1.35V Desktop Memory - Black

Producent: Corsair

- Designed for high-performance overclocking: Each Vengeance LPX module is built with a pure aluminum heatspreader for faster heat dissipation and cooler operation and the custom performance PCB helps manage heat and provides superior overclocking headroom. Each IC is individually screened for performance potential.
- Designed for great looks: Available in multiple colours to match your motherboard, your components, or just your style.
- Performance and Compatibility: Vengeance LPX is optimised and compatibility tested for the latest Intel DDR4 motherboards and offers higher frequencies, greater bandwidth, and lower power consumption. XMP 2.0 support for trouble-free automatic overclocking.
- Low-profile heatspreader design: The Vengeance LPX module height is carefully designed to fit smaller spaces.
