### Opis

## NZXT Capsule - AP-WUMIC-W1 - USB Cardioid Streaming, Gaming & Podcasting Microphone - Crystal Clear Voice Clarity - Built-in Shock Absorber - Easy Boom Arm Mounting - Twitch, Discord, YouTube - White

Producent: NZXT

- **STREAMING MICROPHONE:** Designed for single sound-source gaming and streaming use, the Capsule delivers high-resolution voice pickup while suppressing unwanted background noise
- **DESIGNED FOR GAMERS:** Unidirectional cardioid polar pattern ensures you'll have minimal background noise. Internal capsule is tuned for speech in a gaming environment, optimizing vocal clarity.
- **HIGH QUALITY AUDIO:** Incredible analog-to-digital conversion technology ensures your voice will be the best in the lobby.
- **SIMPLE AND RUGGED:** No screws, washers, or fumbling to place Capsule on a boom arm. Internal shock mounting relieves any worry of your mic bumping into your desk mid-game.
- **ACCESSORIES INCLUDED:** USB-C to USB-A Cable, Mic thread adapter (length 32mm): Male 1/4" to Female 3/8", Stand quick-release cover

- **technologia łączności:** USB
